U.S. CBP Pre-Clearance Station

Toronto Pearson Airport has a U.S. CBP Pre-Clearance Station where goods en route to the U.S. can clear U.S. Customs upon departure from Canada and prior to arrival in the U.S. This eliminates the need to clear customs upon arrival back in the U.S. To utilize this service with an ATA Carnet, contact CBP - Toronto Pearson at 905.676.2606. Note that the ATA Carnet white re-exportation voucher will have to be validated by Canadian Customs PRIOR to U.S. CBP validating the yellow re-importation voucher at the pre-clearance station in Toronto. Also, the goods will have to be available for examination both for Canadian and U.S. Customs upon departure from Toronto.

Information is accurate as of May 1st, 2016 but can change at any time.

Please allow sufficient time to locate customs and get your carnet validated should the location of customs change due to conditions beyond our control.
