

## Company Description

Boomerang carnets was established in 1987, employs twenty-four incredible people, and specializes in ATA Carnets and carnet bonds, and U.S. and foreign customs duty guarantees. An appointed Service Provider to the United States Council for International Business, the U. S. Affiliate of the International Chamber of Commerce.

Licensed insurance broker/agent and represents international insurance markets including Lloyd’s of London, the Institute of London Underwriters and Travelers.

## Our Vision/Mission

We believe a company should have access to convenient and affordable international trade tools to expand into new markets and grow. We think this can be provided by a single, reliable source that offers excellent customer service and true value.

## Our Company’s Founding Story

In 1987, Bruce and Curt Wilson, Founder and CEO, had the notion that more exporters would enjoy the benefits of ATA Carnets if they were easier to obtain. From the start in an 1895 farmhouse garage, with little more than a phone and fax, to issuing 9000+ carnets annually, we pioneered easy and affordable ATA Carnets for international trade.

## Our Products/Services

We serve exporters in all fifty states from our centralized issuing facility, the *ATA Carnet Service Center* in Illinois, with extended service hours including weekends and holidays. Local remote printing and delivery in NY, DAL, MIA, SF-SV, and LA.

An ATA Carnet (KAR-nay) is an internationally accepted customs document (aka *The Merchandise Passport*) which allows temporarily exported merchandise or equipment to pass duty and tax free into carnet countries for up to one year. Not only can we handle routine ATA Carnet and bond processing, but we can also help when special export requirements get more complex and demanding.

### See the Savings

Temporary Export of a Medical Device to the U.K. – 20% VAT Rate – 3% Duty Rate

Costs @ \$21,540 Value	ATA Carnet	Duties & Taxes
